

PD Report - September 2024

Great to see applications coming in- we have 7 applications already in, 4 have already been approved. We will have \$8150 available to be accessed. Staff Reps, please remind staff that we are accepting applications and the sooner they get the application the better, regardless of how far ahead the application is for, as long as it's within the school year. There are also funds still available from the Book fund and from the Wellness Grant.

We are planning a number of upcoming PD activities for the Self-directed afternoons throughout the year. Please keep an eye out for advertisements and sign-up forms coming soon!

Respectfully submitted,

Meghan Cox
