

December 2023: Local President Report

Evening Staff Reps, Committee Members and Guests,

As we approach the festive season, I want to take a moment to reflect on the incredible achievements and challenges we've faced together this year. Thank-you for the various phone calls, texts and emails reaching out for support and guidance. It has been an honor to serve as your president and witness the dedication of our esteemed teaching community.

This holiday season, let us celebrate not only the well-deserved break but also the collective triumphs we've achieved. Despite the hurdles, our association has continued to advocate tirelessly for the rights and well-being of our members. A special shout out to our TWC and NSC as our local negotiating will shortly begin.

In the spirit of Christmas and the upcoming New Year, I extend my deepest gratitude to each and every one of you for your unwavering commitment to education and your support of Parkland Teachers' Local 10. May this festive season bring you joy, peace, and moments of well-deserved relaxation with loved ones.

Looking ahead to the New Year, I am optimistic about the possibilities that lie before us. Together, we will continue to champion the interests of our members, fostering a supportive and collaborative environment within our association.

Wishing you all a Merry Christmas and a Happy New Year filled with warmth, laughter, and the promise of new beginnings.

Blessings and respectfully submitted,

Sarah Cresswell
Local President
