

## **Women in Leadership Annual Report 2022-2023**

The Women in Leadership Committee continues to seek to advance the interests of women in leadership on behalf of the teachers who are members of Parkland School Division, ATA Local 10.

This year the committee promoted the ATA Women in Leadership Speaker series and provided funding for a number of local members to attend the Women in Leadership Summit Conference in March 2023.

The committee desires to encourage and continue conversations surrounding women in educational leadership. Should you have any ideas or suggestions for what you would like to see offered by the WIL Committee in the 2023-2024 school year, please reach out to the WIL Committee representatives.

Thank you!
