

January 2024: Local President Report

Evening Staff Reps, Committee Members and Guests,

Happy New Year! As we usher in the fresh beginnings of January, I extend my warmest greetings to each and every one of you. I hope the start of this new year finds you in good health, high spirits, and with renewed enthusiasm for the opportunities in education that lie ahead.

January marks not just the start of a new calendar year but also a chance for us to set new goals, pursue fresh endeavors, and continue advocating for the betterment of education in Parkland and across the province. As we embark on this journey, let us carry forward the lessons learned, the achievements celebrated, and the camaraderie forged within our local association.

Throughout this month and beyond, let us remain united in our commitment to delivering quality education, supporting one another, and championing the interests of educators across Parkland. Together, we have the power to shape the future and make a lasting impact on the lives of those we serve. We are excited about our upcoming visit to Grant MacEwan, an opportunity to learn more about equity, diversity and inclusion.

Teachers' convention is also just around the corner, we hope you have opportunities that are inspiring to witness as our members actively participate in sessions led by esteemed presenters, sharing insights, and embracing the spirit of continuous learning. The convention will provide an invaluable opportunity for professional growth, equipping our educators with fresh perspectives and tools to enhance their teaching endeavors.

Watch for more information to come about a local event Wednesday February 7th at Spotlight Cabaret.

Respectfully submitted,

Sarah Cresswell
Local President
