

## March 2024: Local President Report

Dear Members of the Parkland Teachers Local,

As we step into the month of March, I am filled with gratitude for the unwavering dedication and resilience shown by each one of you in our teaching community. A huge shout out to Brad Langdale our TWC Chair and Scott Onuczko our NSC Chair along with Morgan, Moe and Mike for all your hard work put into local bargaining. As we continue our efforts in central bargaining, I urge you to stay informed and engaged. Our collective voice is powerful, and by standing together, we can advocate for fair working conditions and equitable treatment for all educators.

This month, I want to extend my heartfelt appreciation to all the educators who attended the February NCTCA Teachers Convention. Your active participation and eagerness to learn and grow are commendable. The insights gained from such conventions not only enhance our teaching practices but also inspire us to strive for excellence in our profession.

I also want to congratulate our new teachers who have joined our ranks. Your passion for education and enthusiasm to make a difference in the lives of students are truly admirable. We look forward to welcoming you into our community and supporting you as you embark on this rewarding journey. Induction is a special occasion where we celebrated their achievements and welcome them into our teaching family. Your presence and support at this event would mean a lot to our new colleagues.

Thank you once again for your dedication and commitment to the field of education. Together, we will continue to make a positive impact on the lives of our students and communities.

Respectfully submitted,

Sarah Cresswell  
Local President
